“ *Our cousin Tommy Smith had just sent my sister Jerrie(Smith) the notice of James passing. Wish we had kept up with our Dads(Hoke) family through the years. You can respond to me if the family wishes.*

“ *Anna, and family,  
My deepest sympathy goes to you and your family. I was very saddened to hear of Austin's passing. I hope you can take comfort in the fact that he is no longer in pain, but is now in Almighty God's presence where there is no more suffering or sadness, no more tears or pain, but only peace and joy. I am praying for you, and for your loved ones, that the Lord will comfort you in this difficult time. Although I never had the privilege of meeting Austin, from reading his friends' memories of him and from talking with you, he was a wonderful man, loving and fun to be around. Cherish the good memories you have, and know that my thoughts and prayers are with you.*

*Love,

“ Dear Anna I don't believe we've ever met . I'm Melanie's Aunt Piper. I have always thought well of Austin. Both my children (Angel and Guy Turner) loved him. He was a real card, and a tooper. He'll probably keep them all laughing in heaven as he did here. My prayers are with you as you go through this difficult time. I know, having been there, there is no true comfort I can give. Just know that God is with you at all times and will get you past the awful heartache that comes when a loved one goes home to be with Him. God Bless you ,Piper Johnson

“ Austin was a terrific uncle; and had a huge influence on me during important years in my childhood. The thing I learned from him more than anything else was that there is nothing in life that doesn't deserve a good joke and that when you laugh at life, it becomes a little lighter. He never said this to me; he lived it. My memories of Austin are important memories; by respecting me he taught me respect, by working hard he taught me the value of hard work and by laughing when times got tough he helped me smile at the absurdity in the craziness that is life.

“ Anna and family, I just wanted to let you know you are in my thoughts during this sad time. I last seen him about a year ago when I heard this man screaming my name from his front yard, I turned at it was my friend Austin. We talked for a long while and now I cherish our last talk. He kept me laughing that day just as he did at Farmers Furniture all those years. He will be so missed. I will keep you in my prayers, Brenna
