“ *My deepest sympathy at the loss of your dear loved one Raymond. I hope you can find comfort from the promises in the bible. Jesus Christ tells us that "the hour is coming in which all those in the memorial tomb will hear his voice and come out." - John 5:28,29. What a wonderful hope for those we lose in death. May the God of Tender Mercies continue to comfort you in your time of need.*

“ Over many years I have been a customer of Tom's Electric. Raymond would always come and take care of issues large or small always with a smile and kind word. When my husband died suddenly a number of years ago Raymond purchased much of his lawn equipment. I remember him being so proud of that new lawnmower as most men always are. He will be missed by those who had the pleasure of knowing him. I am so very sorry for your loss. May God keep you in his care.

“ I worked with Raymond in the 70's at DuPont. He always had something nice to say about everyone and was a great friend to everyone who knew him. He would do anything that people asked him to do to help out. We also enjoyed our Saturday nights out with Raymond. He loved to dance and all the ladies loved to dance with him. He was always a gentleman. This crazy world will definitely be darker without the bright light that was forever about him. We are sending the Tilly Family our sympathies in this hour of grief. May God give you comfort and strength during this troubling time.

“ I am fortunate to talk with Raymond several times during the day for the past six years . . . along with Carl, Gordan and Tony. I am a better man for that experience. All my warm thoughts to family and friends.

“ I have known Raymond since the 80's and there was no better, kinder person than Raymond. If you became a friend to Raymond he was true to you forever. He would do anything for a person that he could. He will be missed very much by a lot of people who came to know him over the years. Just know he is with God and not suffering now. My prayers and thoughts go to each of his family members. Carolyn
