“ *I have many fond memories of working with Tom at MCLB, AUTODIN. Tom was a unique co-worker and a very enjoyable computer tech to work with. He had a dry sense of humor which could only be matched by very few people. Space does not permit the many stories that can be fondly told about Tom as I worked with him in AUTODIN for over 20 years. Jeanette and I send our sympathy to the boys and family. Bob Lackey*
