“ Sending my condolence to the Bowens family. Mrs. Bowens was my third grade teacher at Flintside Elem. School in Albany, Ga. She made such a major impact on my life. I will forever be thankful for God placing her in my path. She was like a mother to many of her students, she was a caring person, who never looked at her students race but at the student for whom they were and the accomplishments that they could make. Mrs. Bowens a true angel her on earth and now she takes her place in heaven. To the family I say thank you for sharing her with many students here in Albany, Ga. The memories that each of her students have of her are nothing less than Sweet. Mrs. Bowens was more than a teacher for many of her students, she was a mother, and friend. May God be with you during your hour of sorrow. God Bless each of you.
