“ Alex and Family:

*Steve and I met in college, where we performed together as members of the NYU Glee Club. Although Steve was not the most gifted singer in the group, he was, as another put it in their memory message, a bigger-than-life personality with a multitude of disciples, myself included. My wife and I had the pleasure of sharing a few vacations with Steve and his lovely wife over the years and Bob Schneider and I visited him in Albany two years ago as he was beginning his courageous battle against the disease that ultimately cost him his life. He never lost his zest for life, generous spirit and unique sense of humour. He was a very special friend and I will miss him greatly.*

“ To Alex and family,

*Just read about your dad's passing. It's incredible the amount of joy your dad (the "Moose") as we called him at NYU back in the day, gave me during our times together and also just talking to him on the phone...or even just thinking about him. He was one of a kind. It was a true blessing for us to reconnect after many years for our reunions in Saratoga NY and in Niagara On The Lake in Ontario. What a time we had!*

*I was so happy to get to know your wonderful mom and meet you, April and your beautiful kids as well. Hally and I send our deepest condolences to you all and please know our thoughts are with you during this very difficult time.*

“ *I'm so saddened to learn of Mr. Kaplan's passing. I worked with his lawfirm for eight years and he was such a larger-than-life character ... always the life of the party. So many times I witnessed Mr. Kaplan helping the less fortunate, homeless, and those just temporarily down on their luck. Such a big heart he had! Rest in Peace Godfather.*

“ "Kap" will be missed for sure. I met Mr. Kaplan when I was about 15 years old - I would ride my bike to the Sportsman downtown and eat a chilidog while listening to and watching the men playing snooker. As I grew into an adult, Mr. Kaplan was always available to lend an ear and offer advice. Alex - you and your family are again in my thoughts and prayers. Respectfully, Sam Shugart

“ Steve Kaplan was one of the best! He was a true man of his word. I only knew Steve for a little while, but I respected him to the fullest. You really had to know Mr Kaplan to understand he was only seeking what is best for his clients. He will be missed.
