“ *Katie and family, I am saddened to hear that your Daddy is no longer with us. He touched so many lives in so many ways. He was a TRUE foundation to the Albany area, with unselfish contributions of his time and talents to the public. I cannot remember a time ever seeing him that he did not greet me with a big smile! My prayers are with you as you adjust to his home-going.*

“ Billy was a good man and will be sorely missed by friends and family. As the youngest of his family he was only a few years my senior and we related quite well when I was growing up. I have only fond memories of Billy.

But for the 10 hour drive one way, I would be there for the funeral. Instead I will be there for all of you in spirit.

With love to all of you.
