“ *To the Family of Elizabeth:*

The memories are many but the sweet spirit of Elizabeth will always be best.

Always so thankful and let you know it immediately. We decorated Christmas Trees a few years and I don't know who was the biggest kid. The Joy in both (Elizabeth and Virginia) of their faces and expressions of love during those times will be a cherished memory for me. Just a few lights and some color is all it took and we talk about that for years.

If she has let Jesus go she has seen her beloved Virginia by now and the stories they will share will be wonderful.

I am so thankful to have and known them and feel I know most of you for she loved you all and I sure you knew it.

Take care of each other and may we all see them again.

In Christ's love and the love they both showed us.
