“ Think of you and the entire family at this difficult time. Please know that you are in my thoughts and prayers. I pray that God will give you peace and comfort in knowing how much Larry "Baby" loved you. He was a friend to so many and will surely be missed. May your thoughts and beautiful memories of the wonderful times spent together ease the pain and hurt that is now in your heart. If there is anything I can do please call me. I know you are a strong lady and can handle a lot; but if you need someone to talk to I'm always available day or night. You have a special place in my heart and I think of you often. Love You Always
