“ Dear Pam and Family,

*I just want to say it was such a privilege to get to know your Mom and to care for her. I always looked forward to her coming to WHH, as she was such a delight. It has been difficult to see her decline in the past 6 months, but she was so gracious and maintained her sweet humor inspite of all. We will all miss her. You all are in my thoughts and prayers as you grieve her loss. May the Lord bless you and keep you in His comfort and strength.*

“ I am the Unit Secretary at the Willson Hospice House. From the very first time that I met Mrs. Pannell she told me that I was a nice and caring person which meant a lot to me and, I told her the same thing and we laughed together. Each time she came to the Hospice House and I was at work, her face would light up as soon as she saw me and, she would always say " Hey there!" I miss her so much and, she was always so pleasant when she was at the Hospice House. My heart goes out to her family. May God bless and keep you.
