“ *Though we didnt spend alot of physical time together, I cherish the fellowship and conversations we shared. Thank you for being my "praying" Grandma, I know you made a direct impact on my life and on the life of everyone who's EVER come into contact with. Thank you for your kindness. When ever I wonder how to act or what to say, I ask myself, "how would Granny act? What would she say?" My father, is another great person I can draw from and for that I am thankful. He is a great man and i will continue to learn from him, though not physically close, very close at heart, where it matters! Have a fabulous time in heaven with Jesus, Aunt Ann and your new body and wings! Thanks for a life well lived and for all the children, grandchildren and great grandchildren.*

“ Walt,

I was so sorry to hear this. Although I did not know your mother, she certainly raised a fine son.... and I can tell by this beautiful picture that she has a loving and kind heart.

My condolences.

“ Walt,
Please accept my deepest, heartfelt condolences on the loss of your mother. Although death brings a sad ending to life, I believe that she is on a wondrous journey to reap her just rewards. Hers was a good and blessed life. I'm sure she left you with a rich legacy of memories to draw from and I trust that each memory will ease your pain and bring joy to your heart. Hold tight to those memories for comfort, lean on your faith and friends for strength and always remember how much you are loved and cared for. My prayers continue to follow you and yours to find peace and strength and to feel an overwhelming sense of God and your mother's presence as you journey through this time of grief.

*In love and sympathy,
