“ *We used to share a room at the nursing home. I had planned to come to see her again after finishing my chemo treatments. My friend Molly has checked on her weekly to let her know I had not forgotten her. I always used to make sure she had her call button and her phone, in case her son called. She was a nice lady, and I am glad to have known her. My thanks to Faye who did a lot to make sure her needs were met. She is a caring lady, giving of her time and encouragement. My sympathy to the family. Janice Jordan*
