I've always thought that it was cool to have an uncle named Bunny, I only wish I could remember how he got the name. no matter how old you are, its so hard to lose a parent. know that my thoughts and prayers go to you all at this time.

“ I have fond memories of Uncle Bunny. My favorite was going for a ride to Ansley Mall in his XKE Jaguar. That was a big deal for a fourteen year old kid.

“ Very sorry to here of your Dad's passing. If you were at all involved in athletics during our time you knew of your father. He was a very positive influence in the lives of so many. He had such a presence where ever he was. I know he had to be a wonderful father to have raised, with your mother, such fine, successful children. It was my good fortune to have been near the Ware family at any point.. My deepest condolences.

“ Uncle Bunny, Aunt Pat, and their entire family were always lots of fun to be around and very kind to us.

From the beach trips to the breakfasts, Uncle Bunny shared with all his love of life, and has given us a beautiful example of a good life fully lived.

Pat's mother, Ethel and my mother were good friends too. All you children and grandchildren inherited good genes--and your parents were so proud of you Love to all--Mary Peddy Jordan

“ I am so sorry to read about your Dad. We were playing tennis just last week and I asked about him. He was quite the character whether on the softball field or the tennis court. I am out of town and will not return until Monday afternoon but you all will be in my thoughts and in my prayers. I know he is happy to be with your Mama. Susan Geeslin
