“ To The Family,
I am so sorry for your loss. My heart goes out to you in your time of sorrow. May you let God's Word comfort you when it reads, “If a man dies can he live again? ... You will call, and I myself shall answer you. You will long for the work of your hands.” {Job 14:14, 15}. God will have a longing to resurrect our loved ones who have fallen asleep in death.

“ I never got to know David before he was stricken with cancer, but the time that I have spoken to him you can tell that he was a very kind, helpful person with a big heart. I love this picture of him. Prayers go out to Kathy and your entire family may this bring peace knowing that he is no longer fighting this battle and is gazing down on you and your family from Heaven with healing thoughts to bring you peace during your time of healing. Thinking of you all with the deepest of sympathy.

“ To David's family, I am sorry to hear of your loss. I pray God will give you comfort. My mother called me today to let me know David had passed. I was very sad to hear the news. I haven't lived in Albany since 1984. I saw David when his sister Kathi and I were going to Merry Acres Jr. High. He was such a nice brother to her. David was a lot of fun. Mr. and Mrs. Lawhon were always joking with us young kids. The fun memories will last forever. David is with Jesus now. He is without pain and enjoying seeing his parents and looking down on all of us. Thank God he made it possible for our lives to last forever when we leave earth. I will continue pray for your family and friends.

God Bless You and Give you comfort,

“ *Kathy and Heather:
I am so sorry for your loss. Having moved to Buford 2 years ago makes it tough to get to Albany to pay respects when friends pass. Kathy, God has truly blessed you and David with many years together and blessed you with a lovely daughter. I miss seeing Heather at church since we moved.
I pray the Lord will ease your pain and bless you with wonderful memories forever.

“ David was my salesman for many years. I enjoyed him stopping by the shop and giving me advice about different products especially color . He had lots of knowledge about them.

David was a fighter. He loved to talk about his family ..he dearly loved y'all.

He wanted to keep y'all protected ..he bought a small gun from me so you could practice shooting...

I'm going to miss him so much..we know that he fought the battle with every ounce of strength that he had.

My love and prayers go up for you today.
