“ I just found out Mr. Carl had passed away. He was always so helpful to me in getting part numbers for our customers. I never got to meet him but he was such a sport over the phone. He will definitely be missed!

“ I was lucky enough to work with Carl at Pritchett Ford for seven years. When I moved from Albany in 1986 , I stayed in touch with Carl for a while,, and thought about him often.
Great memories of Clyde F,,and Paul S, screaming at us (mostly me) for ordering the wrong part, or wrecking the company truck,, not my fault,, and going out after work a FEW times to unwind .
Carl you will be missed, God bless you buddy
