“ I am deeply saddened to hear of Charles untimely passing. Charles and I became friends and members of the Exchange Club of Albany on the same day in 2005. He was often heard to say 'it's the best thing that's happened to me in a long time'. We have recently missed his leadership at the New Member's meetings, his presence at the end of table 1 each week, and his dedication and hard work at all club activities. He was a true friend. His wit and wisdom will be missed.

“ Although many generations past Charles and I are cousins. Doing volunteer work for Alzheimer's he was always helping. It had been a while since other volunteers and I had seen him. I tried to help in his stead but did not have his efficiency. He was a special man and did a lot of good. His loss to community is large. My deepest sympathy to his immediate family.

“ I first met Charles in the third grade. I was new at the school, but Charles was very helpful and kind and we were friends ever since. We graduated from Deerfield in the same class. I have seen him several times over the years and he was always fun to talk to and quite the gentleman. I will never forget that when my father passed away several years ago, Charles was the first one to arrive at the visitation and he stood by me, not saying much, but showing his support for an old friend. I am so sad to know he is gone and I am sending my heartfelt sympathy to his family. My husband and I are praying for all of you at this time of grief.

“ Charles and I grew up in the same Hilltop, Pine Needle neighborhood, in cub scouts together, even spent time with him at his grandparents in Forsyth. He and I never saw each other much as adults, but he was a fun friend as a kid. Ken Martin

“ I can't begin to express the sorrow that Charles' passing brings to me. I always enjoyed the times I was around him and remember fondly having him in my Driver's Ed. class at Deerfield - he was such a cautious driver I always felt safe with him at the wheel. I've had the good fortune of seeing Charles from time to time over the years and I'm going to miss him very much. My heart felt sympathy goes out to the entire family.

“ I count Charles among my closest childhood friends and have many great memories from school, church, Duke basketball camp, lake and beach trips as well as my freshman year at Wofford. Dr. and Mrs. Hollis were always welcoming to their kids friends which must have been passed down from the Duggan and Hollis grandparents who Charles was close to. As an adult, I only saw Charles 3 or 4 times, but I did note how proud of a parent he was. I will miss my friend and regret that we didn't see as much of one another as I would have preferred. Heartfelt sympathy and condolences to Mrs. Hollis, Carol, Katie Rowe, Rachel, Charles and the rest of the family. Charles was a genuinely nice person. Joe Lashley
