“ Doug was a kind man and gentle soul that had a kind word for others. He and my dad always had fun joking with each other on jobs and Doug and made everyone laugh until they cried. I always appreciated how Doug and the Beavers treated my family and he will be missed by all who were fortunate enough to meet him  
Rest in peace Dougie

“ We all lose friends.. we lose them in death, to distance, and over time. But even though they may be lost, hope is not. The key is to keep them in your heart, and when the time is right, you can pick up the friendship right where you left off. Even the lost find their way home, when you leave the light on.

“ Gosh I can't count the years it's been since I last saw Dougie. But I remember back when we were all teenagers, he turned all the girls heads with that gentle smile that lit up a room. I don't remember a time seeing him when he wasn't happy and laughing. He was always so friendly and respectful. To his mama and daddy, what a wonderful son you raised. I'm deeply sorry for your unbearable loss. My prayers are with you and your family, with his children, and all who were lucky enough to know him. God bless.
