“ I always called her "Aunt Joyce", and my favorite memory was seeing how much she loved those great nieces and nephews. A few of my memories with her are similar to BrennasI also got to experience The Dog Track with Aunt Joyce and Nanny, they absolutely loved it, great memories. We also had many trips to Nothing Fancy to eat catfish. Sending hugs to her family. May she rest in peace!

“ I have very few memories of Ms Joyce because I only knew her a short time. But my fav memory will always be a night a few years back that we all went to the dog track in Florida. Watching her and Nanny get serious about them dogs racing and placing bets had me laughing so hard.
I'm so sorry to all the people who loved her, and prayers of comfort over the next days.

“ Thank you so much Brenna. That was such a fun trip and great memories. Both of them loved watching those dogs and they were good at picking them out and being so lucky!!
Thanks for taking me down memory lane. She will be missed.
