“ Carol, I was so sorry to hear the passing of your mom, LaRue. I will always remember how she loved "dem" grandchildren and how pleasant it was talking with her. May the memories of your parents sustain you for a lifetime. Hope to see you soon.

“ LaRue Clifton was my next door neighbor from the time I was 5 until I married and left home. She was such a sweet, smart and always well dressed lady. Her daughter Carol and I were best friends and we lived between her house and mine. Bo and LaRue were like another set of parents to me. They car pooled me and Carol to school and dancing with my mama. We had great times growing up on Whispering Pined Road and when my wonderful memories come back, LaRue's sweet face and kind ways are etched in my mind You will be greatly missed LaRue and thanks for loving me and putting up with me.
