“ Scott was loved by everyone he met. He never met a stranger. He would give the shirt off his back to anyone needing it. He had the ability to make anyone laugh. I know I could always call him or stop by and see him with any problem I was having and before I could even think about what was ever wrong in the first place I'd already forgotten. He was always talking shit or joking about something. You couldn't help but laugh and smile when Scott was near by. He was definitely a one of a kind person and always left a lasting impression on everyone he met. I already Miss my Brother so much. Its still so unbelievable to me that he's gone. I can't just pick up the phone or stop by and see him. Life will most definitely never be the same. R.I.P My crazy One of A Kind Brother!!! I Love You More Than Any Words Could Ever Explain!!!
