“ My deep sympathy goes out to you in Lillian's death. She was so kind and helpful to me when I moved to Century Pines. She was a strong Christian and lived her faith every day.

“ When Wayne took me home to meet the family we arrived around 2:00 a.m. because he worked the evening shift at GA Power. She got out of bed the minute she heard us come in and sat at the breakfast table talking to me for at least a half hour. She always treated me like the daughter she never had. I couldn't ask for a better mother-in-law. She was always there when we needed her and loved us all so much. You will be missed greatly. I know you are happy to be with Dewey, Wayne and all of your other family in Heaven. We love you.

Dear Family:

I am so sorry to hear that Aunt Lillian has passed away.

I am so glad that her suffering is over and she is with her Lord and Uncle Dewey and Wayne and the rest of her family that has gone on before her.

Rest assured she will still be here with the rest of her family that is still on this earth until we join her in heaven.

She was a blessing to us all and we will miss her very much but we know she is in a better place now.

Our thoughts and prayers are with each one of you during this time.

Be thankful for the time you spent with her on this earth and look foreword to seeing her

again in heaven.

She loved you all so much.

With our love Joe Jr. and family.
