“ Lois was one of the fastest and most regular walkers on the track at Phoebe Northwest. Part of the original 7 am walkers whom I loved and admired. I have missed seeing her! Thanks for sharing her with me.

“ Lois was a very special person. Worked for many years with her at First State Bank. Her, Martha Boyer and myself would take walks downtown. We would kid Lois that she walked to fast. If I ever needed anything at work she was there. Her and George made a couple that was always looked at for sharing God's peace. I will always have memories of those days as they were good ones. “ My heart is so broken. She was the best aunt and spitual role model anyone could ask for. I am so bless to have the sweet memories of the very special lady. I will always love you Aunt Lois and cherish our sweet memories. My heart goes out to you, Ann, as I know the coming weeks and months will be hard, but we know she is at the feet of our Lord and Savior.

“ I am so sorry to hear of your loss. Miss Lois was one of the sweetest, most Godly women I know. I knew her from Byne and I also worked with her at FSB. Need more women like her in this world. We are blessed to grieve because we have had the opportunity to love. Many prayers for you all.

“ The first time we met MeMaw was at Anderson, IN. Her grandson Mike had proposed to our daughter Danni so both sets of parents came to meet each other. It was a fun time playing card games, visiting and MeMaw even played volleyball with us. She was a very fun lady and will be missed.

“ Lois was a very special person. I worked with her at First State Bank, sang in the choir with her at Byne and attended Aerobics with her. She loved to tease and always had that little teasing smile when doing so! She was a very smart lady and always kept her school girl figure! We have missed her at Byne since she moved to be with her family! Prayers for all of you as you go through this sad time!

“ Sincere sympathy to the family - worked with Lois at First State many years. When her grandsons were young - she would laugh when they talked in another language so she wouldn't know what they were saying. Think they had lived in Australia - not sure.

“ Dear Ann: what a spiritual legacy your Mom gave you. I remember what a faithful family y'all were when we were growing up in Byne. Our Mom died 05/15/2019 & like you, Emily & I experienced our first Mother's Day without Moma last Sunday. The three of us are so blessed to have had special parents & beautiful memories.
