“ Marvin Mixon will definitely be missed. He dedicated his whole life to helping others. Not only was he a veteran, but he ensured other veterans were taken care of. Marvin is one of a handful of people I truly admired. Hoping his legacy with The Field of Flags continues not only as a tribute to those who died in service to our country, but also as a tribute to him as well. Marvin I considered you a good friend as well as a great customer. Thanks for all the guidance you supplied me as I was growing up. RIP Sir!

“ Marvin Mixon was a great man. He was always smiling and making sure everyone was doing well. once he found out I was a veteran he would come by the shop just to check on me and make sure I was doing well. He always put everyone else first and made sure our veterans were taken care off and not forgotten. You will be missed my brother.

“ Mr. Mixon was such an amazing person; I work at the Albany Mall office and when Mr. Mixon would come in to see our Marketing staff regarding the Field of Flags, I would always share a few nice words with Mr. Mixon. I was so very saddened to read of his passing and know he will be truly missed by his family and his veteran family as well. My deepest condolences.

“ My late father thought the world of Marvin Mixon and when Daddy died Post 30 presided at the funeral with Marvin at the helm. He did so much to honor veterans and Albany will greatly miss him! Daddy also respected him as a lawyer and friend.

Thinking of all the Mixon family with sympathy and prayers.

“ Marvin was a gift from God for what all he did. He was a veteran who did good for those in need. He was always there for you. Soft spoken yet had knowledge that someone needed. I first met Marvin in the 80's, while I was in the banking business. He became a friend to me. I will miss him so much. When I see a flag waving he will be in my thoughts.
I send Blessings to his family.
