Mike's hobbies were fishing, gardening, birdwatching, reading, golf and music. He loved music of all genres and encouraged all "don't be a music snob." He enjoyed his golf game and although humble was truly a talented player. His happy place was Alligator Point, Florida, where he enjoyed the peaceful beauty of God's creation and relaxed in the calm stillness of nature. “ Please keep and carry Paula and family in their sadness and loss. Cover them with your great wings of love, give their weary hearts rest and their minds sound sleep. Lord, lift their eyes so that they may catch a glimpse of eternity, and be comforted by the promise of heaven. Amen

“ I have known Mike since we were children growing up in Lake Park subdivision. We have been friends our entire life. Upon my retirement I moved back to Albany and revitalized my friendship with Mike. Often we would eat lunch together and many times he would come to the farm to fish. Usually we would sit on the porch drink some iced tea and discuss our lives Paula's name would usually come up and it was easy to see how much Mike loved her and his entire family. I will miss him forever My prayers and condolences for Paula and Mike's family
