“ Mr Tosh was my little league coach for three years and taught me the right way to play the game at a young age. But more than that he was a mentor and a friend. There are a million memories over the years that have run through my head the last couple of days and I smile as I remember each one. Mr Tosh thank you for being a friend and mentor over the years. I love you. To Mrs Tosh, Debbie and Bobby and the rest of the family thank you for allowing me to be a small part of the family. I love you all and so sorry for your loss. May God surround you with His unfailing love and grace during this difficult time.
GOD BLESS

“ Mr. Bob was truly dedicated to his job at DNR. He lived to serve every day! Bob was the first smiling face we would see in the mornings and always walked through the halls with "good morning" to everyone. He took care of so many things around the building that you never had to worry about it getting done. Even when the office was closed for hurricanes or bad weather, Bob would drive to the office to check on it to be sure it was safe and secure. For many years, Bob prepared and served sausage biscuits on Friday mornings. He said it was a great time for fellowship with co-workers after a long week and to get a good start into the weekend. He was not wrong! We all looked forward to biscuit Fridays! Bob was an absolute blessing to us and a fixture in our office. He will and already is sorely missed. He will forever be in our hearts!

“ I worked with Mr. Bob almost 25 years at DNR. He always made sure that I had a fresh pot of coffee waiting on me when I got to work. He got everything ready each year for our Christmas lunch, I don't know how I will manage without him. He was a treasure that will surely be missed..

“ I am so sorry to here of "Uncle" Bob's passing. He was always so kind and nice to me, and a dear friend of my mom and dad. He was a fixture of my childhood. After I joined the Air Force, he always called me "general", now matter my actual rank. He was so cool. After losing Dad and Mom this year, it now feels like I'm losing another close family member. May God's peace that surpasses all understanding surround your family right now.

“ I met Mr. Bob and his dear wife, Ms. Betty several years ago when my son, Lee Henthorn became engaged to their granddaughter, Kayla Lawton. I felt him to be a very humble individual that loved the Lord and his family very much. Mr. Bob will definitely be missed by so many that loved him as he held a special place in his heart for his beautiful wife, his children, grandchildren, great-grandchildren, and many friends and neighbors . Heaven has truly gained a special man of God. Go Rest High on that Mountain, Mr. Bob, for your Work on earth is Done.

“ Bobby and Debbie

So sorry to hear of your Dad’s passing. He was a fine man and touched the lives of so many through his activities. He was a great coach and mentor to many kids and it was always fun to take the field against his Colts back in little league days. Also the kids in the neighborhood always had so much fun playing basketball on y’all’s drive way and jumping on the trampoline. Great memories of a great time to be around someone such as Bob Tosh. God is smiling at having such an addition to his flock in heaven.
