“ I have quite a few memories. She was a protector and someone you could talk to. She helped through some difficult times and she was a fun loving person. She was one of the few people I've known that would open up her door to you and truly be a joy to be around. I know she had her tough times, but I never stopped her smiles. Obviously, anyone that knew her, knew she loved her family. And her dogs. She really was a strong woman and the only thing I regret in having met her is I didn't get to say goodbye before she left.

“ I don't believe I actually have met Sandra. I respect and love some of her family. Her brother, Johnny was married to my sister Dot and I was married to her brother in law Johnny McManus. She seemed a great woman and mother. Sorry for loss of a great person, prayers for family.

“ Sister
Of all the many blessings
However great or small
To have had you for a sister
Was the greatest one of all.
The family chain is broken now
And nothing seems the same
But as God takes us one by one
The chain will link again.
All my love and memories will last forever.
