“ *From our family to yours, our love and deepest sympathy in the loss of your dear mother. She was a beautiful, talented, special lady and a great friend to our family. Mary and Mike remember her as the best kindergarten teacher ever, and I thank her for her abundance of patience with me during my piano lessons. Mother recently enjoyed the teas and computer card games with her, and always reported to me how your mom kept her on her toes, as quick and sharp as ever. We were blessed to have known her, and she will live in our hearts always. Love and blessings to all of you. Noreen and all the McCoy Family*

“ *To Ruth's Family,
My thoughts and prayers are with you during these difficult days.
Ruth was such a special lady and I had the privilege of knowing and
loving her through the Dawson Road Garden Club. Helen
Cganiewicz, who is my cousin, was a special friend of Ruth's. She is
in an assisted living facility in Marietta and asked me to give you her
love and sympathy. Carleen & Helen*

“ *Bob, you and your family have our deepest sympathy in the passing
of your mother Ruth Gotsch. She was highly respected by so many
of your friends and touched the lives of so many. Her music lives in
the hearts of so many of our generation through those who she
taught who went on to teach and share what they learned from her
with others. That into its self is quite a legacy. Your family can be
proud of this and her. She will be missed but she will be there with
your family in spirit. May the Lord Bless her and your Family.*

“ *Ruth was such a pillar of our church an our school. It is awesome to
consider how many lives she touched and made better by her
dedication. She had an innate gift for teaching children. Who can
ever forget the carefully measured steps of her kindegarten classes
entering the auditorium to the piano accompaniment of "Pomp and
Circumstance". Our family was privileged to have her guidance and
example for two generations.
She was one-of-a-kind and we loved her.*

“ Please accept my deepest sympathy in the loss of Ms. Gotsch. I knew her from church and the dentist office. She was a very sweet lady and very thoughtful. She always asked about my family whenever she came in and we always talked about my daughter, who is a teacher. I will miss seeing her at church and at the office.

“ Like most people who knew Tubby, one of the first things I think of is Waffle House & his huge heart. I am very fortunate to have known Tubby & to have worked with him, he always had the right advice & kind words to say which I will never forget & am able to use in my daily life. Thanks Tubby, for being such a great friend, you are truly an inspiration.

“ How can you call a 98-year-old lady the original "party animal?" You had to know her. Ruth Gotsch stories were legend in my house growing up. Coats & Clarks' New Year's Eve party was NEVER dull as long as Ruth was there! She was always the sparkplug of any gathering and made certain it was memorable. But now our thoughts and prayers are with Doug, Betty, and Ruth's entire family. May you soon feel God's peace and comfort.

“ I was in Mrs. Gotsch's kindergarten class at St. Teresa's (Class of 66); she was a wonderful, caring, loving teacher and person. She made each and every child she taught feel special. She loved teaching and her students loved her. Mrs. Gotsch was truly the epitome of how a teacher should be

"Eternal rest grant to her O Lord and let perpetual light shine upon her. May she and all the faithfully departed rest in God's peace."
