“ Dear Diane and Family, Glenn and I would like to send our sincere condolences to you all. We were honored to know him through the Exchange Club for many years. He was one of the sweetest most gracious people we've known. Always go out of his way to speak no matter where we were. He was a man's man and you knew it right off the cuff, he didn't take any mess from anyone! It was our pleasure to have known him. We pray God's peace, comfort, and love on you all! 🙏🙏

The Lord's Pantry will surely miss AJ who was always thinking of others when we needed a pickup to retrieve donated food or pick up purchased food for the needy.

He even recruited several volunteers to help him empty a small rural grocery store. He was a great manager who could round up and supervise 5 or 10 strong young men and their trucks to pick up 5 to 10 pallets of food. He was right in there with the younger fellows loading and unloading for the Lord's pantry.

As time went by, and we made arrangements for deliveries, he would still bring bags of groceries, clothing, or gift cards to my house for Thanksgiving or Christmas for some of the more desperate needy. We pray for Martha and family during this difficult time. You will be missed. May you rest in our Savior's arms.

Mr. Nobles was my boss at the Albany Herald! He was one of the most caring people I knew! He was so good to all the paper boys that delivered the Albany Herald! He was such a good role model for everyone that worked under him! He made such an impact in the lives of many! He will be missed by all who knew him!
