“ *We were late learning of Ada's passing and were so sorry not to have had the opportunity of being at the visitation or services. Ada was a person you always liked to talk to. She was funny, friendly and interesting. She knew our grandparents and parents, too, and we could enjoy talking of past days and of when Lem and Granddaddy traded cars so often. Ada was at Sylvester part of the time our father was, so we would visit together. Our sincere sympathies. May God grant you peace and comfort. Robert and Linda Wells (McDonald and Edwards Families)*

“ *My great-grandparents (the Brooks) were Ms. Ada's neighbors forever and ever. My childhood memories involve many, many times of talking with her over the fence. My condolences to your family! She was a special lady.*
