“ Dear Mrs. Sally and family, I am so sorry for your loss. Miss Addie and I had a lot of laughs over the years while I attended Lee County schools. I'm not sure you remember, but you were in on a lot of them. All your family are very dear to me and I pray that God will fold you in His arms and take away the pain and the hurt you're going through as He needed one more Angel in Heaven. All of you are in my prayers. Love to all, Frances

“ I remember Ms. Gosa from working in the lunch room, back when Lee County was one school. Those were the days, you knew everybody and everybody was like family. There were so many ladies that worked in the lunch room that had kids at Lee County and they treated us just like their own. Ms. Gosa was always so nice and joked around with us. I know that she will be missed by all who knew her. May God Bless each of you and may her memories always keep smiles on your faces. Rita K. Wiggins
