“ I met Mrs. Agnes at Wynfield Park nursing home, I captured her under my wings as soon as i met her, I was her CNA there,I spoiled her, I didn't want no one to care for her but me, it's seems that no one could understand her or had the compassion like I did for her, whenever I was off from work the staff would tell me how they she would act out because I wasn't there, but when I return, My love would tell me how much she missed me "that really touched my heart "I could go on forever writing about my beautiful sister in Christ, My lovely sister will be truly missed, I will always Love my sister in Christ, RIParadise baby ,We love you, but God love you more, you have earned your wings my sweet beautiful Angel💖💖💖💖
