“ I know nothing I can write will ease the pain of Ms. Agnes' loss. I will always remember her voice on the party line telephone, the preserves and jellies, the afghans, her working in her yard, Mr. George's mustang ... She is a kind and caring soul; I am blessed that she was my neighbor.

*This was my late wife, Kris' favorite quote, I hope it brings some comfort and strength:*

*"God is my source of existence and Savior. He keeps me functioning each and every day. Without Him, I will be nothing. Without Him, I am nothing. But WITH Him I can do all things through Christ that strengthens me."*

“ Loved Ms. Agnes! Always enjoyed talking to her and sharing prayer concerns. It was a great comfort to know she was praying for me and my family. I don't think I knew anyone quite like her with her zest for life and positive way of looking at things. I will always treasure the afghans she made for Ronnie and me! Danny and family, you are all in my prayers....love y'all...

“ I've been missing that wonderful smile of Ms. Agnes since my move to Florida . She was always on the positive side even when I knew she wasn't doing so well. I know that I will surely miss her 'antics' as we all will. When she found out that I was moving out of state, she brought me an afghan she had made. She said "tell all your friends when you're in Florida that your 91 year old friend made it". Which I did....R.I.P.
