“ Marian was my niece and closest friend in High School. She loved slumber parties but always teased me because I could not stay awake to laugh and giggle. She said “ you are no fun sleepy head.” We shared a special bond as we worked at Phoebe Pitney. I was on the Medical Surgical floor and she was in the ER. We talked often and encouraged each other in love and prayer. She had a great sense of humor and I pray she has already seen her Mother, Dad and Grandma Hall. In Heaven. I pray God will wrap his arms of love and peace around her sweet children and Grandchildren. Aunt Katherine Duncan and “Uncle Dunc” that’s what she called Uncle Roy.

“ *I'll always remember riding on the truck collecting rocks and Indian jewelry with you. I saw some Indian jewelry Friday that made me think of you. I'll always remember the days in the pools and eating french toast from the pool. I'll always remember going to Dunkin after Dr appointments to get donuts and coffee. I'll always remember going to Walgreens and picking out candy for us and snacks while you waited on the prescriptions. I'll always remember the rotisserie chicken lunches we had before I'd start cleaning and doing yard work. There in the latter part when you would allow me to actually work. A lot of times you just wanted to chat.*
