“ *I always remember fondly the fresh vegetables Al left on our porch from his Ambrose garden. He always had a happy face and a smile for all. Bill would never plant a garden!! I hope he was comfortable and not in too much pain at the end. Lynn, I know you will miss him. We are in AZ volunteering at a state park for our 6th winter; God has been good to me for the last 7 years with a good man; we will be in Douglas in early April and I will call you.*

love, Marlene

“ *A fighter and a worker all of his life, he used those skills in his last two years during his battle with cancer. But to me and mine, he will always remain "Uncle Al The Kiddies' Pal!"*

“ *Lynn, I haven't seen you and Alan in years, but I have had you on my mind often. I saw in the paper yesterday about Alan's death and learned that he battled cancer. I am so sorry and offer you my deepest sympathy. I remember Alan as a fun person to be around - always "up". May God keep His loving arms around you and comfort you during these sad days.*
