“ Albert was a kind and considerate man. He helped if he could or gave support to his family and friends. I will miss him teasing me about buying groceries--if my buggy was skimpy-he told me to buy more - if it was full hw wanted to know what army I was feeding--

Albert was my assistant manager when I was the store manager in Dawson at Harvey's. He was a great assistant manager and a great guy to know and work with. I didn't know he passed but I needed to say this in his honor.
