“ *Grateful for having had the opportunity to hear Hill's beautiful voice in the Army chapel at Katterbach when we were in Germany and in the Ansbach area. Bill once provided some outstanding professional advice in a personnel matter that has never been forgotten and will always be an item for which resulted in being indebted to him for it. We'll remember a cold winter night when a car was disabled and had to be towed with Barbara at the wheel. It was the first time she had ever been towed and probably may still have memories of the horror of that experience. Bill made a difference in countless lives and will long be missed.*

“ *Dear Barbara and girls, Bill was a dear friend, a great singer, and a patient teacher. He led and molded our barbershop quartet into a great ensemble. He brought much inspiration and love for the art of singing to those he worked with. He left a positive mark on our lives and will truly be missed.*

“ Bill was one of my very favorite people. I've known him for a long time, and always enjoyed our conversations, his enthusiasm, his photographs, and his kind, gentle way. Whenever I called, I was torn between hoping I'd catch him, and hoping I'd miss him so I would hear his answering machine message. I'll miss him as will so many.

“ It was such a shock to hear of Bill's passing, which speaks to denial of my own approaching end. I am thankful that we had a cherished visit to Bill and Barbara's home during our travels in 2001. At that visit and following we exchanged precious photos of our youth that leave me smiling each time I visit the images. I remember with great fondness, overnight stays with Bill in Iowa City. Bill had the Sunday paper route and would have to get up very early to fold the papers while huddled around the furnace grate, then go out in every kind of weather to deliver papers on his bike. My Aunt Thelma, Bill's mother, would delight in scary surprises to make me yell, Yikes!

“ To the DeLung Family:

From: Robert L. Nash, President of NARFE's Chapter 1435 in Fayetteville, Georgia. On behalf of the members of Flint River Chapter 1435, I would like to express our sincere sympathy at the loss of Bill. My personal contact with Bill was limited. But during our talks he impressed me as a man of considerable talent and accomplishment. I saw him for the last time at the NARFE Convention in Reno, Nevada and communicated with him several times since September 2004. Bill appointed me to a three member committee to select the Member of the year for NARFE in the Georgia Federation. If it had been possible, I would have voted for Bill as Member of the year due to his efforts on NARFE's behalf. May God bless Bill's spirit and the DeLung Family.

“ *It is hard to believe. Bill is with God. It seems like yesterday when he helped me with the information material about Albania. What a nice man! What amazing things he had done in his life full of energy and love for the people. I am blessed I have known him. My heart hurts. My family and I want to express our love and condolences to Barbara and all the family for this great loss. We are praying that God will give them strength and faith in this difficult time. Barbara, my heart is with you and your family.*

“ *Barbara & Family,*

We were so surprised to hear of Bill's homegoing. We heard from Ken Schaefer, Kay's brother. He had talked to Bill in the last few weeks about getting their old "Calvary Hour Quartette" together for a reunion.

We have many happy memories of you guys when you lived in Cedar Falls. What great times!

Our deepest condolences go out to you at this time. I often think about what non-christians do at at time like this with no hope. Bill is now home in glory with His wonderful Savior, Jesus Christ. That does give us hope and comfort.

Sincerely,

“ There are many memories of Bill which will allow me to smile for many years to come and which will influence me in my life and in my decision making. His commitment to Federal Employees which he and I discussed frequently in conjunction with the legislature; his love for the arts; even the pep talks he would give me as I ran for re-election. As a fellow member of the choir, a couple of solos really stick out in my mind---I can never forget Bill's voice in "God Bless America"- -I still swell with pride of my country when I think of that and now will think of him everytime I sing that song. Handel--Messiah---speaks for itself. My sympathy is conveyed to all of you. You are in my prayers. I was fortunate to have experienced part of Bill's life.

The fact that he would could coverse on each other's interests was very gratifying as was the pleasure he provided to us and so many others through his more than wonderful singing talent.

I, as well as many others will surely miss him in so many ways.

“ We will always cherish the kindness and conversations that Uncle Bill has shared with us. It was special that Adam and Uncle Bill shared the same birthday. He kept us connected with his cards, e-mails and thoughtfulness. Though we couldn't be together in person, we still shared a special bond. Even recently Uncle Bill called and talked with Christine. Everyone else was out. She told us when we got home that she had a very nice conversation with him for 45 minutes! We do appreciate his example and rejoice that he is with our Lord Jesus. “ Barbara, I can't imagine the pain you must be feeling right now. Mother lost Daddy suddenly when he was 56 and she was 54. It left us all in a state of shock and grief.

Bill was my "singing buddy" and always made me feel like I was Albany's best soprano which I know was a stretch. We did have a special blend; I think. People seemed to like to hear us and asked us to do programs quite often. I will miss that and feel like it will be a long time before I can open the folder from my music cabinet with Bill and Claire's duets on the front.

Fred can not carry a tune so he has never been able to share his voice in a group with me although he would have like to do that. You were always there singing with us and so attentive when Bill and I were up there singing. You're great.

Jill and I will be there for you during these coming weeks and months. Please feel free to let us know what we can do to help you. Give your girls and their families my deepest sympathy.
