“ Although we did not know you or these beautiful children of yours, we are deeply touched by your loss. We have two young children of our own. As we spend today with them we will pray for your family and your precious children. At school, our son is practicing the verse "God is Love." (IJohn4:8). Those two children of yours are God's greatest expression of love. God bless your family and know that we are praying for you.

“ Jake and Karen. My heart does not stop thiking about you daily. However i can take this oppertunity to let others know of your strength,joy and happiness for the time you had with you two beautiful childern. From your request to have everyone at the funeral wear color and not black to our conversations about Allie and Jadon... Full of love and memories. I never got a chance to meet Jadon but was able, thought your strength to say hello and goodbye.

Life does not answer our most deepest questions. The main one being Why? Life does not have to answer this, only God will answer this qestion for you. Remember, God will answer you if you ask him. When we cannot be there for you ask him for Strength. He will answer you as you and i know. I will never forget this moment in time just as you should never forget the time you had with Allie B and Jadon. Hold on to those moments. You will find peace in them.

Jake and Karen, only time will heal your loss but most of all you two will heal eachother. Stick close to your love for eachother and God will take care of the rest.

*My deepest love to you both.
Your Brother, and Uncle to Allie B and Jadon.*

“ I am a co-worker with Jeremy and I just wanted to say how deeply sorry I am for your loss. Unfortunately I know exactly how the family feels at this time. My son, Charles Christensen, died July 12 during a bicycle race in Portland, Or. He was 28 years old. He left behind his wife of less than 2 years and a 10 month old daughter. I can't describe how it has affected my wife and I, and all the family. Our tears cannot wash away the hurt and void that has been left in our lives.

Your pain is great now and will be for a long time. Hopefully time will ease this pain and life will become bearable once more.

I'm thinking of you at this time knowing that life will go on and we will all survive.

Love to you and your family,
