“ *Pam and family,
Although I never met your father, I know he must have been a great man to have such a sweet and spunky daughter. I met you last week at Willson Hospice before Dub passed away on Tuesday. What a peaceful environment for your father to be in his last few days.
Praying peace and comfort for your family.*

Thank you for including Mike and I in various family events. We always had so much, and good food also !!!! I know it will be rough with your Dad gone, but I also know you have many happy memories to keep in your hearts. Hugs to all of you, Mike and Gwen*

“ Mr. Witczak was a kind and gentle man who embraced people and life with joy and gratitude. I always left him with a feeling of peace ,happiness and love wishing there were more people in this world like him. He was a very special man who touched my heart deeply and I feel my life is much richer for having known him. I have and will continue to think of him often and when I do it will always be with a smile. I would have been proud to have had him for my own father.

My thoughts and prayers are with his family and friends. God blessed this world when he sent Mr. Witczak to be among us and I am grateful to have known him and his family.

*Sincerely,
Regina Leeson*
