“ *Dear Becky and family,*

We are saddened to hear of Alice's passing. I have fond memories of visits to your home to swim and enjoy the "country" air! At that time it was the country. Your mother was very gracious to all us girls and we felt most welcome. I remember too all the horses, especially the appaloosas. Please know that your family is in our thoughts and prayers.

*God bless,

“ *"Gil" and Family---What a wonderful "Southern Belle" that Mrs Barrett was. Beautiful, charming and always so very polite. She and Gil were a couple that brought admiration. In each contact that I would have with Gil, with me as then the GA DOT Division Engineer, Mrs Barrett was always so interested in getting me to "Gil" quickly and always expressing her thanks for DOT efforts. She was certainly a rare person and one that you would always remember with fondness. May Jesus grant your family understanding and comfort in this time of great loss. ---Buck Hartley--4-22-2010*
