“ *Alice was such a loving and giving person. Our family was blessed for the numerous times she took care of us when we lived in Albany many years ago. This was especially true when I had cancer and she helped us by caring for our children, Zack and Madeline. She was definitely Godsent! May God give you and your family comfort, strength and peace during this difficult time. Our thoughts and prayers are with y'all.*

“ *I am so sorry to hear of Mrs. White's passing. She and Mr. White lived next door to my mother, Wynette Key, and were so thoughtful to me when my mother passed away in 2010. I visited Mrs. White at home and at Phoebe and, even though she was struggling and in pain, she still had a hopeful and positive spirit. I'm sure she left this life at peace knowing that she had given her best to Mr. White and to anyone who needed her.*
