“ Mike, I am so sorry for your loss. I only had the pleasure of meeting your mother a few times but she was so sweet and a beautiful woman and glowed when she looked at you. I remember the first time was right before your dad got sick, they were such a loving couple. Another when she came to visit and you and I took her to the new to you sale at church, we all had a good time visiting that day. Wish I had been able to know her better. You had wonderful parents that loved you so much and I know they are both looking down watching after you and your family. Our prayers are with you.

We love you, Mike and Debra
