“ *Met Ann at Alamo Karts. She was always nice, cheerful, and enthusiastic about karting. We unfortunately stopped going to the track, but in recent days we were thinking about returning to the track and was looking forward to see her again. I'm very sad. My condolences to her family and friends. Ann, you might be gone, but you're not forgotten.*

“ Dear Rachel's Mom,
Whenever I spoke of you to my mom, she always commented on your (outer) beauty, but as others have already commented, you also possessed an inner beauty. You modeled goodness and kindness in daily life, and now your daughter possesses these characteristics, as well. As I reflect upon the school days and my friendship with Rachel through the years, I grow with more profound respect for your solid commitment to raising Rachel as a single mother. I am so thankful for my friendship with Rachel; like you, she is a really good person and friend. Sad, but glad you're not in pain anymore.

“ Ann worked with us for two years. We observed her tough battle with cancer and admired her dedication in spite of how she felt. Both our employees and clients were fond of her. She was also notable for rescuing whatever stray animal passed our way, particularly a cat that adopted us. Ann will be missed by all of us. She was a classy lady.

“ Ann,

You will be missed by everybody here in San Antonio. From the first day I met you, I knew you were a special person. You never treated those of us who came to the kart track as customers and clients, but as friends. I will miss that friendship. I know you are resting peacefully now, but will miss seeing your smiling face very much. May God watch over you and your family in this time of great sadness.

“ To my beautiful, loving sister. Your kindness knew no boundries, along with your beauty. This world is a little lonelier without you here. I know I already miss you, but know that you are in a much better place and you are no longer suffering with the intense pain. I will watch Rachel for you, but you knew that. God bless your soul. I love you.
