“ Oh the days of Allan and Liz at the campground, aka the hunting land. I sure do miss those days hanging with someone as crazy as my dad, never thought I would meet another individual who acted just puke my dad but I did! Always laughing and cracking jokes, what a great man. He will be missed for sure but I know he is sitting in heaven with Liz and my mom looking down on us. We have more hands watching over us and holding us through the hard times they left behind here in earth. Love, Nicki
