“ *I've known Lee for many many years and I can't ever remember him not joking or laughing or just being Lee! As only Lee could be! I'm very saddened to hear of his passing as I heard a week ago. I'll truly miss him and his character. He genuinely cared about all of his friends and family. RIP Lee! Love you like family buddy!*

“ *Lee, my best friend for a period of time at Westover. So many great memories of you, Nancy and I hanging out even though we had to endure your singing of Hotel California over and over again. You were a character for sure. Love you man.*
