“ *My dad was the administrator of Phoebe Putney from 1954-1964. He thought so highly of Mr. Couch, and said he was one of the employees the hospital ever had. When I was 5 years old I was in the hospital for a week, and no one could successfully draw my blood. My dad would ask Mr Couch if he would please come do it, and he never missed. I am so sorry to hear of his death. He was such a wonderful man. Janet Hardy*

“ *Mr. Couch was a true gentleman. I remember him when I was at Riverview and most recently I have enjoyed talking with him when he visited his wife. He ALWAYS had a kind word, a smile on his face, and he loved talking about his garden. Mark and Stan, your dad will be greatly missed. Sincerely, Lynn Miller*

“ *I worked with Mr. Couch in the lab at PPMH quite a few years ago. I always remembered his love of coffee and how he would come around and let us know that he had made a fresh pot. Mr. Couch was a brilliant man and I learned a great deal from him about the laboratory. He will be greatly missed but will live forever in our memories.*
