“ Amy and I had so many great times together. One lasting memory I have is of us dancing barefoot together in the rain to good music at "A Day on the Green" in Thomasville. We had such a good time that night. I will always remember you and miss Amy - Megan

“ I would like to thank everyone for your kind words, thoughts, and prayers. I would also like to share this poem that Amy wrote. I found it while looking through her notebook and hope that it gives you the same peace that it gave me to know that she is with our Lord and Savior, Jesus Christ in heaven.

In Amy's own words:

I was such a good little girl - that was me.

Pure were my thoughts - and my soul carefree.

It mattered not what people said, nor did I care;

God told me so, as he stroked my hair.

As I grew older, my curiosity became hard to bare.

"Hold on God", I said, "Wait right there."

I don't really need God, I thought and strolled away.

I set out to experience the world. How dearly I payed!

Although it started out innocently enough.

I was now trapped and my life unbearably tough.

I cryed to God, "I'm sorry, you were right...without you, I'm empty and lost. I need your guiding light."

I was covered in tears and blood - hurt beyond repair.

I was no longer worthy, but still I cryed out my prayer.

Then I saw God - and He was hurt too.

I realized I was never alone, and I cryed at what I had put Him through.

Amazingly, He forgave me - never again shall I stray.

For my curiosity nearly killed me - and of my scars, people whisper - even to this day.

“ Dear Gary & Laurie and Lee,
We were so sorry to hear of Amy's death. That very week I was going through old pictures of some of the Fall Festivals we had at Glyndale and found a picture of Amy in her costume and another one of her with you when you were pregnant with Lee. “ I just wanted to let the parents of Amy know what a wonderful person she was. Anytime I was ever around her, she was always bubbly and had a great outlook on life. I met her while she was working in Fitzgerald and we got to talking because I had lived in Moultrie before...I was so deeply saddened by this tragic event and I wanted to share in sympathy with the family of Amy. She is one person from this earth that will be missed and always loved...

“ Amy was one of those cousins you could never get tired of hanging out with. She was always full of life and energy. We used to ride her go cart around the neighborhood until we were filthy or got into trouble for cutting through someones yard! She always lived her life to the fullest and was never one to back down from a challenge. Our first day of high school, we rode the bus together had every class together and rode the bus home together and talked all night about how scary it really was! haha! I love that girl like a sister, we always got into trouble together but had soooo much fun getting into it! I experienced mst of my middle and high school year firsts with her and will always remember how much fun she always made everything! I love you Aunt Laurie and Uncle Gary and I keep ya'll in my prayers every night

“ I'm deeply sorry for your family's loss and Amy will be missed by me greatly. Amy and I became friends when my family moved to Cheyenne Way (behind Tallokas Trails) during the summer of 1997. We rode around in her golf cart all summer long before 8th grade. I remember one particular time when we were riding around after dark and bottomed out on a stump in the woods behind Turning Point. We were scared to death that we were going to get caught trespassing, and man I thought we would never get out of there! Well, after some improvised engineering we somehow got loose. But I'll tell you how hard we laughed at that for the next few years. Just thought I'd share that tod-bit of a memory of Amy I will cherish forever. I am truly sorry your family has to go through this hard time and will be praying for you to have strength to get through it! She truly was a great friend and a beautiful girl inside and out.

“ *As I sit here and read the comments of friends and family, I am remembering the years and the wonder of Gods' grace and blessings on our family. Amy was of course one of those blessings. She was not only beautiful on the outside but she had a sweet, loving nature on the inside. I know she has a Bible with the date that she asked Jesus into her heart. I think if she could speak to us now she would tell us how beautiful heaven is and would encourage us to reach as many of the unsaved as we can when we are given the opportunity. May God use Amy to bring hope to those she left behind and until we join her up there may she enjoy the love of Our FATHER and our other loved ones who went before her. You will all be in my prayers as you go through this time. Look to HIM and let your friends and family give you whatever support we can.*
