“ I was fortunate to grow up next door to Patsy. She was the sister I never had, as she was to all of my Cline cousins of that generation. Early memories include exploring in her backyard and one particular baseball game in my backyard. Patsy was a serious student who excelled at AHS and at UGA. She was a soft spoken, true Southern lady, a dedicated professional who touched many lives. She was blessed to have a loving, caring and selfless husband in Greg. She will be missed and we mourn our loss, but we can rejoice in her Homecoming.

*Cousins are the first friends we have as children. They are the best of both worlds because they are family and friends at the same time. It broke our hearts to lose you, you did not go alone; for part of us went with you, when God called you home. I know that ALL the "Womack" gone before you were there waiting to welcome you. You left us peaceful memories, your love is still our guide; and you are always at our side. Our family chain is broken, and nothing seems the same; but as God calls us one by one, the chain will link again. I Love You my Cousin and will Always Miss YOU!
Bev (because that's what you always called me)*

“ Greg, I first met Patsy in "middle school", where we shared many classes. She was always so sweet and so smart. Loved her! She & I shared a bond--we were "only children"! 😊 My thoughts & prayers are with you & other family members in the days ahead.

We spent a lot of time together as very young girls. She was so sweet and fun to be with. Her relationship with her Mother was so loving. Happy memories of Patsy. Prayers for her husband and extended family are lifted up.
