“ Hugh & Mary,

I was just browsing through the obituaries looking for another dear friend who just passed away and discovered the one for your mother, Angie.

Your Mother & Dad were dear friends of mine. They both were a great source of encouragement to me during my tenure with Rehabilitation Services.

I had not seen Angie in later years but thought about her numerous times with great fondness. She was always a delight to be around. I am deeply sorry for your loss.

“ *I am so sorry for your loss, they say time heals all wounds and Ms Ange and "Lady Dog" are in a better place waiting on the reunion of family and friends. If there is anything that I can do please call me. I only hope that I can be there for you like you and Kate have been there for me, Megan and Bryan. I am making a contribution in memory of Ange to the Alzheimers Association. God bless you!*

“ *Dear Ron and Mary,
I just looked at the memorial and photo album. I love the poem; the photo album is awesome. (I called Sydney in to see -- the early pictures of your mom and the picture with all of ya'll at Ron's graduation with sweet Steve in it.) This was a really good idea -- the photos reflect your mom's vitality.*

*Lots of love,
Sara Ann*

“ Mrs. Mitchell was one of the true greats. She was a real friend to me and my family as I was growing up in Albany. I'll never forget what she did for me the Summer I was so sick.

“ I was your dad's secretary at Vocational Rehabilitation back in the 70's and I remember both your mom and dad as genuine Christian people who loved the Lord and their family. I know that your mom will be greatly missed but she is with your father and with her Heavenly Father now. May you be comforted by knowing that.

“ The times I met Ms. Angie, she was a real delight. She was an inspiration to all. Her son, Hugh, and daughter, Mary, portrayed the kindness from their mother.
