“ As I go through my childhood memories, I always think fondly of our many sleep-overs after the Riverview football games when there would be 4 or more of us @ your house staying up late & waking up early to your mom vacuuming, then I think of teen years riding around town with the radio turned up way too loud, the fun we had, I regret that we did not keep up with each other after school & college. Although we had grown apart, it is still hard for me to think of you as being gone, you will be missed. I am thinking of and praying for your family. With sincerest sympathy, Lynn
