“ Dear Knight family,
GOD bless you all during this very sad time. We have all been part of each others lives for many years. Your mom was telling me that my son Joseph,now 17, reminded her of some of you. She remembered when Joseph was younger how he would slip under the pews at church during Mass. We had a tough time keeping him still. We all love your mom and she will always hold a special place in our hearts.

“ Ann was one of the first to welcome us to St. Teresa's Church upon our move into this area. She has always been gracious, kind and most witty, and we have so appreciated knowing her and talking with her. Our sincerest condolences to her family. How fortunate to have had the joy of knowing her as a mother, grandmother or great-grandmother, and what an honor for us to have known her as well. May God bless and be with each of you at this time and may you find the consolation of our Faith as did your mother.

“ I am so sorry for your loss. Ann was a classmate of my late husband, Max. She attended the 65th Class of 1939 reunion in 2004. She submitted a picture of her family to share what she and Collins did together all the years of their marriage. She was so proud of her family. Please accept my deepest sympathy.
