“ I met Mrs. Young when I started dating then married her neighbor across the street. We became fast friends. That was 25 years ago. She had the best heart and was so kind to everyone. She enjoyed sitting outside getting fresh air and was our lookout for anything odd going on at our house when we were not home until the past several years as her health began to decline. She lived a quiet life and never liked to bother anyone but sure loved to visit and talk. She loved her family and her many animals she had over the years. My dogs adored her and so did I. I will miss our friendly visits and chats. You will always have a special place in my heart. Rest in Peace now Ms Young.

Debbee she was so fond of you and Greg. You both were always there anytime she would call or just walk over. Our family appreciates everything you two have done for her.

VB

Forty eight years as neighbors makes that family feel like family and not just friends. We watched each others children grow up and shared memories of good times and bad. Shirley, as we called her, spoiled my girls and any pet we had. Shirley didn't drive but worked for many years. Bobby would get her there and a coworker brought her home. Both dogs we had learned the sound of that car and would meet her at the door because they knew she was good for a hotdog or some treat. Like good neighbors we borrowed eggs, sugar, or anything anytime and never expected it back. I could go on and on about what a wonderful friend and neighbor she was but I'll just say we all, Bud, Gena, and Jessica, and myself loved you and you will be missed. God certainly gained an angel and she and Bobby were united once again. She's smiling and at Peace!
